A theft protection system to help minimize your losses

Vehicle loss protection that's your best bet for a worst case scenario

End your lease with added ease, not expense

## THEFT PROTECTION

Your insurance company may only cover your vehicle's actual cash value at the time of theft, leaving you with a major financial burden. Theft Protection provides a theft deterrent and identification product that helps minimize your losses, plus up to a \$5,000 benefit for use towards a new vehicle at your original selling dealer.

### Protect your investment:

The following illustrates how Theft Protection can help cover outstanding out-of-pocket costs if your vehicle is stolen and declared a total loss.

Down payment	+ \$3,000
Replacement vehicle costs (sales tax, other fees)	+ \$2,000
Your potential expense	= \$5,000*
Theft Protection Limited Warranty Benefit	- \$5,000
<b>Amount You Owe</b>	<b>\$0</b>

\*Approximate costs; your actual costs may vary.

This example is for illustrative purposes only. Actual Limited Warranty Benefit calculations will vary based on specific circumstances.

**The theft deterrent product is permanently installed on the covered vehicle and is therefore noncancelable.**

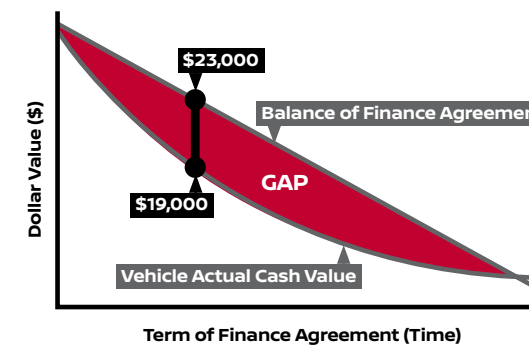

## GUARANTEED AUTO PROTECTION (GAP)

Guaranteed Auto Protection (GAP)<sup>2</sup> can help put your worries behind you in the event of a total loss. GAP waives the difference between your primary insurance settlement and the outstanding balance on your vehicle's financing, and provides coverage for your insurance deductible, subject to the terms and conditions of the program.

### How GAP helps protect your investment:

Here's an example of how a GAP product may help cover a vehicle declared a total loss:<sup>2</sup>

Outstanding finance agreement balance	\$23,000
Insurance assessment of vehicle's Actual Cash Value	- \$19,000
Amount you owe	= \$4,000
Primary insurance deductible <sup>2</sup>	+ \$1,000
Your potential expense	= \$5,000
Waived by GAP	- \$5,000
<b>Total Amount You Owe</b>	<b>\$0</b>

The above examples are for illustrative purposes only. Actual GAP waiver benefit calculations will vary based on specific circumstances.

<sup>2</sup> GAP Protection is available only if you purchase your vehicle through Nissan Canada Inc.
